

# SOW for cloud migration

## # STATEMENT OF WORK

### \*\*CLOUD MIGRATION PROJECT\*\*

---

## ## INTRODUCTION/BACKGROUND

The following Statement of Work (SOW) shall serve to outline the current scope of work required for \*\*ACME LLC\*\* ("Client"), involving Very Big Things, LLC ("VBT") and is made pursuant to the Master Service Agreement between the parties dated \_\_\_\_\_ (the "MSA").

---

## ## SCOPE

**\*\*Cloud Migration Project:\*\*** VBT shall provide comprehensive cloud migration services to assess, plan, and execute the migration of Client's infrastructure and applications to a cloud environment.

**\*\*Services:\*\*** VBT shall provide the following Services, each in accordance with the terms and conditions of the MSA and based on Client's specifications:

- **\*\*Infrastructure Assessment:\*\*** Comprehensive analysis of Client's current on-premises infrastructure, applications, and data to identify migration candidates and dependencies.
- **\*\*Migration Planning:\*\*** Development of a detailed migration strategy, including phased approach, timeline, resource requirements, and risk mitigation plan.
- **\*\*Cloud Architecture Design:\*\*** Design of target cloud infrastructure architecture optimized for performance, security, scalability, and cost-efficiency.
- **\*\*Migration Execution:\*\*** Implementation of the migration plan, including data transfer, application deployment, testing, and validation in the cloud environment.
- **\*\*Post-Migration Support:\*\*** Optimization, monitoring, and troubleshooting during the transition period to ensure stability and performance.

---

## ## COST & TIMELINE

The total cost to complete this Cloud Migration Project is \*\*\$85,000\*\*, with an estimated timeline of \*\*10 weeks\*\* for completion.

---

## ## DEPOSIT

A deposit equal to \*\*\$25,000\*\* shall be paid within ten (10) business days of the execution of this SOW. If at any time the Client wishes to terminate this SOW pursuant to the MSA, the deposit shall be applied to all outstanding hours committed by VBT, and the remaining deposit amount, if any, shall be refunded to the Client within ten (10) business days of Client's notice to VBT of its intention to terminate the SOW. Further, the deposit shall, if Client elects, be applied to the last payment due under this SOW. Upon completion of the work to be performed under this SOW, the deposit, at the Client's discretion, may either be returned to the Client or applied to any outstanding invoice (including the last invoice for this SOW) or future work.

---

## ## INVOICING & PAYMENT

Payment shall be invoiced net 30 days, with invoices sent at the beginning of each two-week billing cycle for the pro-rata cost of such billing cycle. Invoices shall be paid in accordance with the terms of the MSA. For the avoidance of doubt, the fee due for the Services under this SOW shall be \*\*\$85,000\*\* regardless of whether the number of hours to complete the Services multiplied by the hourly rate is less than or greater than \$85,000.

For the avoidance of doubt, the fee due for the Services under this SOW shall be \*\*\$85,000\*\* regardless of whether the number of hours to complete the Services multiplied by the hourly rate is less than or greater than \$85,000.
